## *Dedication*

The 2009 NNECOS Annual Meeting Program is dedicated to former NNECOS board member, Dr. Lloyd Herbert Maurer, who passed away last month at his home in Vermont after battling recurrent cancer.

Dr. Maurer was known for his ability to inspire, his remarkably perceptive nature, and his huge heart filled with a boundless love for his patients, his friends, and his family. On behalf of its membership, NNECOS has made a contribution to the L. Herbert Maurer Memorial Palliative Care Room at Mt. Ascutney Hospital in Windsor, VT.

*Our heartfelt condolences to Dr. Letha Mills, and the entire Maurer family.*
